

- A pet owner has to have at least one pet to be a pet owner.
- Follow-up visits can occur at different clinics, with different vets.
- A follow-up visit can also prescribe drugs to a pet.
- A visit must have at least one service performed.
- Each visit generates only one invoice.
- Each invoice only has one visit associated with it.
- Not every drug in the invoice drug\_line has an associated prescription, but every prescription must be included in the invoice drug\_line
